2016 OSHA TRAINING!

Project BEST Safety Consultant Ty Lollini of 1949 Consulting, LLC will be conducting the classes listed below for Project BEST contributors in WHEELING at the OVCEC safety training room located at 21 Armory Drive in Wheeling, WV and in STEUBENVILLE at 626 North 4th Street, (IBEW Hall) Steubenville, OH. Please note which location the class is being held.

NOVEMBER 29-30: 10 HOUR IN WHEELING
DECEMBER 15-16: 10 HOUR IN WHEELING

PRE-REGISTRATION IS MANDATORY! CLASS SIZE IS LIMITED TO 20 PERSONS.

CONTACT LISA AT: (304) 214-9800 OR AT LISA@PROJECTBEST.COM.

Reminder: All safety training classes will be **FREE** to Project **BEST** Contributors.

**No shows who have made reservations
will be charged \$25.00.**

Even though OSHA has no expiration date on the 10 and 30 hour safety training cards, they might be considered by our customers as outdated, requiring you to obtain a new card. You are advised to check accordingly before you go to the work site.

Other Training Information: The 10-hour, 30-hour and specific type training classes can be provided by contacting the safety consultant and scheduled so long as (5) or more persons are scheduled for attendance and advance notice of one week is made with the instructor. Locations for training will be dependent upon availability and suitability of training space accommodations.

SAFETY FIRST.

**THE SAFE WAY IS
THE BEST WAY**

IN THE EVENT OF A DISASTER – ARE YOU PREPARED AT HOME?

Recommended Items to Include in a Basic Emergency Supply Kit

- Water, one gallon water per person per day for at least three days, for drinking and sanitation
- Food, at least a three-day supply of non-perishable food
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert and extra batteries for both.
- Flashlight and extra batteries
- First Aid kit
- Dust mask, to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Wrench or pliers to turn off utilities
- Can opener for food (if kit contains canned food)

Additional Items to Consider Adding to an Emergency Supply Kit

- Prescription medications or a list of your prescription meds
- Pet food and extra water for your pet
- Important family documents such as copies of insurance policies, identification and bank account records in a waterproof, portable container
- Cash or traveler's checks and change
- Sleeping bag or warm blanket for each person
- Household chlorine bleach and medicine dropper – When diluted nine parts water to one part bleach, bleach can be used as a disinfectant. Or in an emergency, you can use it to treat water by using 16 drops of regular household liquid bleach per gallon of water. Do not use scented, color safe or bleaches with added cleaners.
- Fire Extinguisher

Remember “0 accidents” is a process not only a slogan.

It is imperative that all labor and management affiliates of Project BEST be aware of the importance of this weekly safety reminder page which serves as the vital communication link between the Project BEST Safety Committee and all contributing members, especially those working in the field. This safety reminder can be easily copied and distributed via each employer's internal mailing system such as a paycheck envelope or equivalent method. Your assistance in this matter is greatly appreciated. Thank you!
